Services

Counseling - relationships, grief, bereavement,
sexual abuse, suicide private for many years,
Lifeline 15 years

About Janet

I have found colour puncture is a fundamental
tool; it addresses and treats people’s diseases.
Colour puncture is a non-invasive, no threatening
form of healing.

I have always been a student of the human
condition: both physical and metaphysical.

For many years my creed has been “ Love all
- serve all” and my inspiration comes from St.
Francis of Assisi “Make me a channel of your
peace.”
